Dear Contractor:

This letter is to remind you of the work assessment change for Ironworkers Local 782 **effective January 1, 2008**. The work assessment is changing from 4 % of the gross wage to **3 ½ % of the total package**. Following is a breakdown of the work assessment rate per hour worked effective January 1, 2008 for Journeyman:

	Regular Hours	Time & One Half Hours	Double Time Hours
Illinois	\$1.30	\$1.70	\$2.10
Kentucky	\$1.28	\$1.68	\$2.07
Missouri	\$1.25	\$1.64	\$2.02
KY Heavy & Highway	\$1.36	\$1.78	\$2.20
Mississippi & Ohio River Work	\$1.38	\$1.80	\$2.23

Please make sure your payroll department is aware that effective January 1, 2008 the work assessment to withhold from the check is 3 ½ % of the total package.

If you have any questions feel free to contact our office.

Sincerely,

John Davis
FST/BM

**IRONWORKERS LOCAL UNION NO. 782
SCOPE OF AGREEMENT**

This Agreement contains all of the provisions agreed upon by the Employers and the Union.

This Agreement made and entered into effective May 1, 2007, by and between the Western Kentucky Construction Employers Association, Inc., hereinafter referred to individually as Association and on behalf of those contractors who have assigned their bargaining rights to them, and Ironworkers Local No. 782 of International Association of Bridge, Structural and Ornamental Ironworkers, hereinafter referred to as the Union.

PREAMBLE

This Agreement is entered into by bargaining to prevent strikes and lockouts and to facilitate peaceful adjustment of grievances and disputes between Employer and Union in this trade and to prevent waste, unnecessary and unavoidable delays, and expenses, and so far as possible, to provide for labor's continuous employment to be in accordance with wages herein agreed upon; that stable conditions may prevail in the construction industry and that costs may be as low as possible consistent with fair establishment of the necessary procedures by which these ends may be accomplished. It is further agreed that the liability of the Employers who accept, adopt or sign the Agreement or facsimile thereof, shall be several and not joint.

It is mutually agreed that there shall be no strikes authorized by the Union, except for the refusal of either party to submit to arbitration in accordance with Article 20 or failure on the part of either party to carry out the award of the Board of Arbitration.

Every facility of each of the parties hereto is hereby pledged to immediately overcome any such situation; provided, however, it shall not be in violation of any provisions of this agreement for any person covered by this agreement to refuse to cross or work behind the picket line of any affiliated union which has men authorized by the International of that union.

It is agreed and understood that the employer has the sole and exclusive right to manage his business without limitation in any manner whatsoever unless limited by a specific provision of this Agreement. It is further agreed and understood that the employer has the sole right to: determine the number of employees; make work assignments; direct the employees as to when, how and where they will be employed; determine the methods, machine processes, tools, labor-saving devices and materials to be used; judge the satisfactory performance of work; make and enforce reasonable rules for the maintenance of discipline, order and efficiency.

**ARTICLE 1
EFFECTIVE DATE**

This Agreement becomes effective May 1, 2007 and shall be in effect until and including April 30, 2010.

ARTICLE 2

TERRITORY JURISDICTION

The territory covered by this Agreement shall be the territorial jurisdiction of Local No. 782 in the States of Kentucky and Tennessee. The Counties covered by this jurisdiction are pictured in a map in this Agreement.

**JURISDICTIONAL BOUNDARIES OF IRONWORKERS LOCAL NO. 782
IN KENTUCKY AND TENNESSEE**

**ARTICLE 3
UNION RECOGNITION**

The Business Representative of the Union shall be permitted to visit all jobs, but must in no way interfere with the progress of work.

**ARTICLE 4
MEMBERSHIP MAINTENANCE**

All present employees who are members of the Union shall remain members of the Union in good standing as a condition of employment, all present employees who are not members of the Union may become and remain members of the Union not later than the 8th day of the execution of this Agreement as a condition of employment, that all new employees may become and remain members of the Union not later than the 8th day after their respective hiring date as a condition of employment provided, however, that the Union shall comply with Labor-Management Relations Act of respect to Union Security and the Labor-Management Reporting Disclosure Act of 1959.

It is further agreed that in the event any employee employed under the terms and conditions of this Agreement does not comply with the above section, the party of the second part shall notify the employer in writing requiring discharge of said employee. Provided, further that no Employer of the Union shall discriminate against any employee to whom membership was not available on the same terms and conditions generally applicable to other members of the Union, or if membership was denied the employee for reasons other than the failure of the employee to tender the periodic dues, assessments and the initiation fees, uniformly required as a condition of acquiring membership.

**ARTICLE 5
EMPLOYEE PROCUREMENT**

A. The employer retains the right to reject any job applicants, but when an employee is rejected or laid off and not for rehire that he be given a letter at the time of lay-off or rejection stating why and a copy be sent to the Business Representative of same.

B. The employer reserves the right to call back by name any employee, if available, that has worked for him in the past twelve (12) months.

C. The parties to the agreement post in places where notices to employees and applicants for employment are customarily posted, all provisions related to the functioning of any hiring arrangement.

Before starting construction and during the progress of the work, the Employer agrees to notify the Business Representative of the Union as to the number of Ironworkers that will be employed and the said Business Representative agrees to recommend Ironworkers who are experienced and efficient in the operation of the tools of their trade.

Any person who claims discrimination shall file an appeal within ten (10) days from the time of the (claims) discrimination with the party of this agreement so charged. Such an appeal shall be heard by a Board composed of one representative of the Employer, one representative of the Union, and a third neutral Board Member to be chosen by the other two members, which Board shall proceed to hear the appeal within one week after the appeal is filed with the party thereto charged with discrimination and said Board shall render a final decision within three (3) days after said hearing on appeal.

It shall not be the policy of the Union to encourage employees to transfer from one employer to another employer when work is still available with his current employer.

D. When required by the employer, the employee shall submit to a physical examination, which will include his ability to use a respirator. The employee will take the test on his own time and will be paid \$20 for taking the test. The employer will pay for the physical examination until an agreement can be reached for it to be covered under the Health & Welfare plan.

E. BOLT Drug Program - The Employer and the Union agree to abide by the Drug Testing Program adopted under BOLT. BOLT is the program identified as Builders and Organized Labor's Substance Abuse Policy and Trust Agreement. The Union and the Employer will be bound by the terms and requirements of said BOLT program and any changes made in the BOLT program by the trustees of BOLT.

F. The employer reserves the right to call for employees with current plant safety orientations on jobs where such certifications are needed as determined by the employer. It is the responsibility of the employee to acquire the training on their own time in conjunction with the contractors and union training or orientation programs.

**ARTICLE 6
WAGE RATES**

Effective May 1, 2007, the following minimum hourly wage rates shall apply to classification of International Association of Bridge, Structural and Ornamental Ironworkers Local Union No. 782.

DATE	5/1/07	5/1/08	5/1/09
WAGE	\$22.54		
WELFARE	\$ 5.76		
PENSION	\$ 4.90*		
ANNUITY	\$ 2.49*		
IAF & APPR	\$.38		
BOLT	\$.08		
IMPACT	\$.22		
MARKET RECOVERY	<u>\$.24</u>	_____	_____
TOTAL PKG.	\$36.61	\$37.96	\$39.31

*Effective August 1, 2007 sixty cents will come off the annuity and be added to the pension. The following rates will be effective August 1, 2007:

PENSION	\$5.50
ANNUITY	\$1.89

The increase for the next two years (May 1, 2008 & May 1, 2009) will be \$1.35 each year to be distributed on the anniversary of the contract provided Western Kentucky Construction Association is given at least a thirty day notice.

**IMPACT – Each year as part of the annual increase, the hourly IMPACT amount will change to reflect the 1% of wage amount.

Dues Check-off is four percent (4 %) of wage only.

- (b) Foreman: Shall not make less than one dollar (\$1.00) above Journeyman's wage rate.
- (c) General Foreman: Shall not make less than one dollar and fifty cents (\$1.50) above Journeymen's wage rate.
- (d) To receive foreman or general foreman pay, the employee must have successfully passed the foreman training course agreed to by the West Kentucky Construction Employers Association and Ironworkers Local 782, or he must have a letter from a former employer who states in writing that he has served as a qualified foreman or general foreman, or the business representative may certify that the employee is a qualified foreman or general foreman.
- (e) Apprentice wage: According to the following percentage of Journeyman's scale:

1st six months - 70%	4th six months - 85%
2nd six months - 75%	5th six months - 90%
3rd six months - 80%	6th six months - 95%

There shall be no more than one (1) apprentice to every three (3) journeymen.

- (f) All work classified as maintenance work shall be under the Ironworkers International Union's Maintenance Agreement, provided the employer has the International Maintenance Agreement.

In the event there is any question about the work being performed being new construction or maintenance work, it will be referred to a standing committee whose decision will be final and binding on all parties. The standing committee will be the chairman and co-chairman of the West Kentucky Area Labor-Management Committee for Construction (B.O.L.T.), and a third party mutually agreed upon by the chairman and co-chairman.

ARTICLE 7 PAYMENT OF WAGES AND DUES CHECK-OFF

The employer shall deduct four percent (4 %) of the wage only as a dues check-off for all journeymen and apprentices and remit these funds on the reporting form provided by the union. This money shall be paid by the 20th of the following month or a ten percent (10%) penalty shall be imposed.

The regular payday shall be once a week and the wages shall be paid before quitting time, and wages are to be paid in check or other legal tender.

Employers may withhold not more than five (5) days wages, excluding Saturdays and Sundays, to prepare the payroll.

When an Ironworker is fired or laid off, his check shall be in the mail, postmarked within forty-eight (48) hours. If not postmarked within 48 hours, employer will pay employee for two (2) hours work for each day the postmark is late. When employees quit of their own accord, they shall wait until the regular payday for the wages due them.

A man will not be required to check out on his own time on layoffs or dismissals.

Any undue delay in payment or loss of time caused the employees through no fault of their own shall be paid for by the employer causing such delay, at the regular straight time wages.

Accompanying each payment of wages shall be a separate statement identifying the employer, showing the total earnings, the amount of each deduction, the purpose thereof, and net earnings.

The Employer shall mail W-2 forms of statements of earnings and deductions to employees for wages of the preceding year to comply with Federal Law.

ARTICLE 8 HEALTH AND WELFARE PAYMENTS

It is agreed that effective May 1, 2007, all employers signatory hereto shall pay five dollars and seventy six cents (\$5.76) per hour for each hour worked by employee, for all employees shall be used, exclusively to provide Group Life Insurance, Accidental Death and Dismemberment Insurance and Temporary Disability Benefits to eligible employees and their dependents in such form and amount as the Trustees of the Welfare Fund may determine; and to provide funds for the organization and administration expenses for the Welfare Fund.

The said Welfare Fund shall be administered jointly by an equal number of representatives of the Employers and the Union, which Agreement and Declaration of Trust, together with any amendments thereto, shall be considered as part of this agreement as though set forth here at length.

It is agreed any employer who is delinquent over thirty (30) days on Welfare and Pension payments will be held for any and all claims which may arise out of this delinquency. All Employers when asked will present proof of Five Thousand (\$5,000.00) Dollars Surety Bond to cover such arrearages.

Ironworkers Local #782 reserves the right to place wage increases in properly trusted benefits if so desired. Such fringe benefits shall be limited to Health & Welfare, Pension, and Annuity Funds. A thirty (30) day notice by the Union to the employer is required.

ARTICLE 9 PENSION FUND PAYMENTS

Effective May 1, 2007, there shall be four dollars and ninety cents (\$4.90) per hour for a Pension Fund. Funds to be administered as agreed upon by the Trustees of the St. Louis District Council and Vicinity. Effective August 1, 2007 this amount shall be five dollars and fifty cents (\$5.50) per hour.

The said Welfare Fund shall be administered jointly by an equal number of representatives of the Employers and the Union, which Agreement and Declaration of Trust, together with any amendments thereto, shall be considered as part of this agreement as though set forth here at length.

It is agreed any employer who is delinquent over thirty (30) days on Welfare and Pension payments will be held for any and all claims which may arise out of his delinquency. All Employers when asked will present proof of Five Thousand (\$5,000.00) Dollars Surety Bond to cover such arrearages.

Ironworkers Local #782 reserves the right to place wage increases in properly trusted benefits if so desired. Such fringe benefits shall be limited to Health & Welfare, Pension and Annuity Funds. A thirty (30) day notice by the Union to the employer is required.

ARTICLE 10 ANNUITY FUND

Effective May 1, 2007, the Employer shall contribute two dollars and forty-nine cents (\$2.49) per hour for each hour worked. Effective August 1, 2007, the Employer shall contribute one dollar and eighty-nine cents (\$1.89) per hour for each hour worked. The administration of such contributions shall be governed by the terms of the Trust Agreement creating the Ironworkers St. Louis District Council Annuity Trust Fund. Such contributions shall be reported on the same form as pension and welfare contributions. Annuity Fund contributions shall be paid by separate check.

ARTICLE 11 IMPACT CONTRACT CLAUSE

One per cent (1 %) of the existing wage rate will be contributed to the Ironworker Management Progressive Action Cooperative Trust (IMPACT), a jointly trusted Cooperative Trust with federal tax exempt status under Section 501(c) (5) of the Internal Revenue Code. The general purpose of the Trust include the improvement and development of the Ironworker Industry through Education, Training, Communication, Cooperation and governmental lobbying and legislative initiatives.

In the event any said fund fails to comply with applicable laws or retain its tax exempt status with the IRS, the employer shall cease making contributions and shall pay said amounts directly to bargaining unit employees as wages.

ARTICLE 12 APPRENTICESHIP

Apprentice will be employed under the conditions as established by the Ironworkers Local #782 Apprenticeship & Training Standards. There shall be an apprenticeship and journeyman training fund. This shall be financed by a thirty-eight cent (\$.38) per hour contribution effective May 1, 2007, by each employer signatory to the agreement for each hour worked under this agreement by his employees.

Because of the additional expense taken on by the Joint Apprenticeship Committee to provide more training and programs to benefit the Local 782 membership and the contractors association, upon action taken by the committee, adjustment may be added to the Apprenticeship Fund contribution rate each year.

ARTICLE 13 WORKDAY AND OVERTIME

A. Hours of work:

(1) Eight (8) hours shall constitute a day's work between 7:00 a.m. to 5:00 p.m. from Monday to Friday, inclusive, except in territories where a shorter workday prevails among the majority of the construction trade unions on construction work. Noon hour may be curtailed by agreement with the men on the job and the contractor or his representative.

(2) The work week shall be 40 hours, Monday through Friday. All work in excess of 40 hours in one week shall be paid at the applicable overtime rate. The Employer shall not employ a second crew to circumvent overtime pay after 40 hours. At the Employer's option, the work week can consist of five eight-hour days or four ten-hour days (Monday through Friday). This option will apply only if the Ironworker is the only trade on the job site, or if all other crafts on the job site are working four ten-hour days. In case of bad weather, Friday will be a make-up day. If the Employer works five eight-hour days, all time over eight hours in one day will be paid at the overtime rate. If the Employer chooses to work four ten-hour days, all time over ten hours in one day will be paid at the double time rate. Changes in the work hours per day in special cases, not, however, to exceed an 8-hour day may be made to meet special conditions upon application and approval of the General Executive Board. If work is suspended during the day, the employees shall be paid according to the (2-4-6-8-

10) rule if the suspension is weather related, and according to the (2-4-10) rule if the suspension is not weather related (lay-off, job shut down, etc.) as stated and applied in Article 13, Section A of this contract. In the event an equipment breakdown causes the suspension of work for a full day, Monday through Thursday, Friday may be used as a make-up day.

B. Shift Work:

When two (2) shifts are employed, the first shift shall work eight (8) hours for eight (8) hours pay and the second shift shall work seven and one-half (7 1/2) hours for eight (8) hours pay at the regular time. When three (3) shifts are employed, the first shift shall work eight (8) hours for eight (8) hours pay and the second and third shifts shall work seven (7) hours for eight (8) hours pay at the regular time.

When multiple shifts are worked on Saturday, Sunday or a recognized holiday, the above shift clause shall apply except that time and one-half shall be paid for the first ten (10) hours worked on Saturday on each shift. On all shift work performed on Sunday or recognized holidays, the overtime rate of double time shall start with the beginning of the regular day shift on Sunday or recognized holiday and ending at the regular start of the next regular work day.

Not more than one (1) shift shall be allowed on jobs of less than three (3) consecutive days duration except in case of emergency, which shall be decided by the General Executive Board. This applies to two or more shifts.

When Ironworkers are employed by the Employer or his Representative to report or for shift work and then through no fault of the Ironworkers is not put to work or employed for less than regular shift hours, the Employer shall pay him for eight (8) hours. This Article applies to all work in connection with shift jobs. After the first working day of shift work Article 14 shall apply.

C. Overtime:

Time and one-half shall be paid for the first two (2) hours of overtime worked on any regular workday and any work performed before regular starting time and after regular quitting time and for the first ten (10) hours on Saturday. All work done in excess of ten (10) hours on regular work day and over ten (10) hours on Saturday and all work done on Sundays and recognized holidays shall be double time.

Changes in work hours per day in special cases not to exceed eight (8) hours per day may be made to meet special conditions after mutual agreement between the Employer and the Union.

When employees are required to work more than ten hours, they shall be allowed one-half (1/2) hour for supertime at the overtime rate and they shall be allowed an additional one-half (1/2) hour for supertime at the overtime rate for every four (4) hours worked thereafter. Supertime, however, may by mutual agreement, be changed to correspond with that of the majority of the crafts employed on any particular job.

**ARTICLE 14
REPORTING TIME PAY, PAY FOR A PARTIAL DAY'S WORK**

~~A-~~ When an Ironworker is ordered by the Employer or his representative to report for work and then through no fault of such Ironworker is not put to work or employed for less than two (2) hours, the Employer shall pay him two (2) hours time, provided such Ironworker remains on the job during the said (2) hours. This reporting time shall not apply provided the Employer calls the employee a minimum of one and one-half (1 1/2) hours before starting time. In the event the employee has no telephone, he shall call collect. The one and one-half (1 1/2) hour notice may be increased if additional time is needed for an

employee to receive said notification prior to his leaving home so as to arrive on the job prior to starting time. If the employee elects to go home, he will only be paid for the time spent on the job. If the employee works over two (2) hours, four (4) hours time shall be paid provided he remains on the job unless told to do otherwise.

The above applies to the (2-4) if it is weather-related or falling weather.

Employees who commence work and are on the job over four (4) hours will be paid for actual time worked.

B. Notwithstanding the contents of the above paragraph the General Executive Board shall approve all allowances of reporting time in case where the Local Union and the Employer agree to the allowance on such reporting time.

ARTICLE 15 HOLIDAYS

All work performed on Sundays and recognized holidays shall be double time.

No work shall be performed on Labor Day except to save life or property. The following holidays shall be observed: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and day after, Christmas Day. Any holiday which occurs on a Sunday shall be observed the following Monday.

ARTICLE 16 FOREMEN

When two (2) or more Ironworkers are employed, one shall be selected by the Employer to act as foreman and receive foreman's wage, and the foreman is the only Representative of the Employer who shall issue instructions to the workmen.

When nine (9) journeymen are employed by one employer on a given project, there shall be two (2) foremen, and when seventeen (17) journeymen including two (2) foremen are employed under like conditions, there shall be in addition to the two (2) foremen, a general foreman whose duties will be supervisory only. When more Journeymen Ironworkers and foremen are employed, the same ratio will apply as in paragraphs one (1) and two (2) above.

Apprentices shall not be counted towards the above foreman requirements.

ARTICLE 17 STEWARDS

There shall be a steward on each job who shall be appointed by the Business Representative. He shall keep a record of the workers laid off and discharged and take up all grievances on the job and try to have same adjusted, and in the event he cannot adjust them, he must promptly report that fact to the Business Representative, who shall see that the provisions of this Agreement are complied with and report to the Union the true conditions and facts. The Steward shall promptly take care of injured workers and accompany them to their homes or to a hospital, as the case may require, without any loss of time and report the injury to the proper officers of the Union. The Employer agrees that the job steward will not be discharged until after proper notification has been given to the Union and further, when employees are laid off, the Steward will be the last journeyman laid off, provided he is capable of performing the work in question.

ARTICLE_18
HEALTH AND SAFETY

A. In accordance with the requirements of the Occupational Safety and Health Act of 1970, it shall be the sole responsibility of the Employer to insure the safety and health of its employees. Nothing in this Agreement will make the Union liable to any employees or to any other persons in the event that injury or accident occurs.

The safety and health standards and rules contained herein are minimum standards and are not intended to imply that the Union objects to the establishment and imposition by the Employer of additional or more stringent rules to protect the health and safety of the employees. It shall be the sole responsibility of the Employer to insure compliance with safety and health standards and rules.

B. The employee will provide his own OSHA-approved hard hat. The employer will provide the first pair of safety glasses and the employer will replace any broken safety glasses that are returned by the employee. It is not the employer's responsibility to furnish or replace damaged prescription safety glasses or prescription glasses. When the Employer specifies that a particular hard hat shall be worn, then the Employer shall be responsible for furnishing same. The employee must wear appropriate safe footwear and clothing for the work to be performed.

C. Working floors upon which derricks set must be covered tight with suitable planking over entire floor except where openings are left for ladders. No more than two (2) floors, or a maximum of twenty-five (25) feet, beneath each riveting scaffold shall remain open or uncovered and all such floors shall be planked and within a minimum radius of ten (10) feet.

D. When iron is loaded on the floor or any point of structure under construction, all connections shall be fully fitted up and tightened and substantial supports provided to safely sustain such added weight.

E. No employees shall be permitted to ride the load or load fall except in case of inspection and erection and dismantling of derricks.

F. Steel cable will be used instead of chains or hemp slings.

G. Proper practical safe housing, casing or tube shall be provided for any and every means, methods, appliance or equipment employed to transmit or give signals, directing work or operation of any and various devices in connection with work being done by employees.

H. No employees will be permitted to work in an elevator shaft while car is in operation. The first floor beneath and the first floor above men working shall be planked safe in all elevator shafts.

I. The use of personal communication devices such as cellular phones and audible pagers are prohibited during work hours and in work areas, unless, the company has provided such devices to the employee for business use only. Any employee carrying a non-company issued device must turn it off or not carry such device during work hours. Employees will have access to communication devices for emergencies. Exception to this policy can be made for ongoing personal emergencies such as imminent childbirth, by the employee's supervisor.

J. Each Ironworker shall have successfully completed the ten-hour OSHA construction safety course and thereafter renew same every three years. Employers may request Ironworkers who have

completed the ten-hour OSHA course and refuse Ironworkers who have not completed the course without penalty.

ARTICLE 19 SUBCONTRACT CLAUSE

The Employer agrees not to subcontract or sublet any work covered by this Agreement to any person, firm or corporation which will not follow the terms and conditions of this Agreement.

ARTICLE 20 GRIEVANCES AND DISPUTES

In order to promote harmony and uniform interpretation of this working agreement, the parties agree that in all grievance procedures the Employer Representative shall be jointly appointed by the Western Kentucky Construction Association. The employer with whom the dispute exists will be allowed to be present or to be represented.

There shall be no stoppage of work on account of any difference which might occur between the Employer and the Union regarding interpretation of this agreement.

Any dispute as to the proper interpretation of this Agreement shall be handled in the first instance by a Representative of the Union and Employer, and if they fail to reach a settlement within five (5) days, it shall be referred to a Board of Arbitrators composed of one (1) person appointed by each party, the two (2) so appointed to select a third member. In the event that the two (2) so appointed arbitrators are unable within two (2) days to agree upon a third arbitrator, they shall jointly request the Federal Mediation and Conciliation Service to furnish a panel of five (5) names from which the third member shall be selected. The decision of the Board of Arbitration shall be final and binding upon both parties.

The Board of Arbitration shall have jurisdiction over all questions involving the interpretation and application of any section of this Agreement. It shall not, however, be empowered to handle negotiations for a new agreement, changes in wage scale, or jurisdictional disputes and shall not be empowered to add or detract from the express provisions of this agreement.

Each party shall individually pay the expenses of the arbitrator it appoints and the two parties shall jointly share the expense of the third arbitrator.

The provisions of this grievance and arbitration clause shall not authorize the awarding of any damages to any employer, but this provision shall not limit in any way the right of the employer to seek damages in an appropriate court action.

ARTICLE 21 JURISDICTIONAL DISPUTES

Nothing in this Agreement shall be construed to define or determine by craft or work jurisdiction or the recognition thereof by the Employer.

During the period when the Employer and the Union are not signatory to a common voluntary method to process jurisdictional disputes, the Employer and the Union shall adhere to the following procedures.

A. Where a decision of record applies to the disputed work, or where an agreement of record between the disputing trades applies to the disputed work, the Employer shall assign the work in accordance with such agreement or decision of record.

B. Where a National Agreement of Record between the disputing trades applies, the Employer shall assign the work in accordance with such Agreement Record.

C. Where no decision or Agreement of Record under A. or B. applies, the Employer shall assign the disputed work in accordance with the established work practice in the area covered by this agreement.

D. There shall be no stoppage or slow down of work on the part of the Union, and no lockout on the part of the Employer, because of any jurisdictional dispute arising during the term of this agreement.

E. The failure of either the Employer or the Union to abide by the above procedures shall be considered a violation of this Agreement.

ARTICLE 22 MODIFICATION OF AGREEMENT

This Agreement, with any amendments thereof as provided for therein, shall remain in full force and effect from May 1, 2007 through April 30, 2010, and unless written notice is given by either party to the other at least four (4) months prior to such date of a desire for change therein or to terminate the same, it shall continue in effect for an additional year therein after. In the same manner, this agreement with any amendments thereof shall remain in effect from year to year thereafter, subject to any termination at the expiration of any contract year upon notice in writing given by either party to the other at least four (4) months prior to the expiration of such contract year. Any such notice as here above provided for in this article, whether specifying a desire to terminate or to change at the end of the current contract, shall have the effect of terminating this Agreement at such time.

ARTICLE 23 SAVINGS CLAUSE

Should any part or any provisions herein contained be rendered or declared invalid by any reason of any existing or subsequently enacted legislation, or by any decree of a court, or Board of competent jurisdiction, such validation of such part or portion of this agreement shall not invalidate the remaining portions thereof; however, upon such invalidation, the parties signatory hereto agree to meet to renegotiate such parts or provisions affected.

The remaining parts or provisions shall remain in full force and effect.

**ARTICLE 24
NON-DISCRIMINATION**

Selection of applicants to jobs shall be on a non-discriminatory basis based on qualifications alone without regard to race, creed, color, age, national origin, sex or religion, Vietnam era veteran nor qualified disabled veteran or qualified individuals with disabilities or any other characteristic protected by law, and shall not be based on, or in any way affected by, union membership, by-laws, rules, regulations, constitutional provisions, or any other aspect or obligations of union membership, policies, or requirements.

**ARTICLE 25
GENERAL CONDITIONS**

A. If the employer so elects employees shipped to jobs or work out of the jurisdiction of the Local Union shall receive transportation, traveling expenses and time, providing they remain on the job thirty (30) days or until the job is completed if it requires less than thirty (30) days. Employees shipped to a job and not put to work, weather permitting, or the job is not ready for them to go to work, shall be paid the regular wage rate for such time, or such employees shall be shipped back to the shipping point with time and transportation paid by the employer.

B. The employer shall furnish suitable drinking water at all times, and each job of sufficient size and length of time to justify same, shall be provided with a shed or room for employees to change their clothes and keep their tools, and suitable toilet facilities shall be provided. In the summer, ice shall be provided for the drinking water. Heat shall be provided for the shed in winter.

C. The employer will, at all times, provide Workmen's Compensation and Unemployment Insurance.

D. It is further agreed that the employees shall not contract, subcontract, work piece work for less than the scale of wages established by this Agreement. The employer agrees not to offer and/or pay, and the employees will not accept, a bonus based on specific performance on any individual job.

E. Employees employed on ornamental work shall furnish for their own use, all necessary hand tools to enable them to effectively install such work.

Employees shall furnish for their own use, all necessary hand tools to enable them to effectively perform their work. The following items shall be furnished by all employees: structural ironworker belt with bolt bag, 3/4" spud wrench, 7/8" spud wrench, 12" crescent wrench, 6 foot rule, bull pin, pliers, 2 or 4 pound beaters, and hard hat. Tools broken or lost on the job through no neglect of the Employee, shall be replaced by the Employer. The Employer shall furnish all power tools.

F. Ironworkers shall be employed on all work in connection with field fabrication, handling, racking, sorting, cutting, bending, hoisting, placing, burning, welding, carrying and tying of all material used to reinforce concrete construction, except loading and unloading by hand, shall be under the supervision of an Ironworker.

G. Where precast, prestressed, reinforced concrete structural members (columns, beams, girders, slabs, etc.) are used in the construction of buildings, bridges, and other structures and power equipment such as derricks, cranes, jacks and/or rigging is used, the work of loading, unloading, moving and placing to complete erection shall be performed by Ironworkers.

H. When structural steel on buildings, bridges and other structures is dismantled and demolished and power equipment (derricks, cranes, riggings, etc.) is used in the dismantling of the structural steel, the handling and loading of same shall be done by Iron Workers.

I. The sorting, distributing and handling of all material coming under the jurisdiction claims of the union in or about the job or at storage points shall be done by Ironworkers in accordance with this Agreement.

J. No Ironworkers shall be permitted to receive wages for more than one job at the same time.

K. The removal of journeymen Ironworkers and apprentices from a job in order to render assistance to other local unions to protect legal union principles shall not constitute a violation of these rules, provided such removal is first approved by the General Executive Board and notice thereof is first given to the Employer involved.

ARTICLE 26 PRE-JOB CONFERENCE

When a pre-job conference is desired by the Union, the Association will be notified prior to setting of such pre-job conference and may be represented at same if desired.

ARTICLE 27 PACAF

The Ironworkers Local Union 782 Apprenticeship and Training Trust Fund does hereby agree to contribute a minimum of two cents (\$.02) per hour worked of all moneys collected under the scope of this agreement monthly to Paducah Area Construction Advancement Foundation. The purpose of the Fund shall be to promote the construction industry as to, but not limited to, public relations and advertising, contract specification improvement programs, the promotion of stable labor-management relations, monetary support for the training and upgrading of employees, and such other purposes as are consistent with this program. No expenditure from said fund shall be made for any activity harmful or injurious to the UNION. No part of the funds allocated for the Paducah Area Construction Advancement Foundation shall be spent directly or indirectly for any of the following purposes:

1. Promotion of legislation opposed by the Union or opposition of legislation favored by the Union:
2. Subsidies, indemnities, or payment of any kind to contractors during, for, or in connection with a period strike, lockout, or work stoppage.
3. Litigation before any court or administrative body against the Union, or the payment of any expense directly or indirectly involved in any such litigation:
4. Publicity or public relations campaigns in support of management's position respecting bargaining negotiations with the Union.

This Foundation shall be constituted in such manner that the payments to such Foundation shall be a contribution under the Internal Revenue Code of the United States and shall conform to all laws of the United States and its Subdivisions and Agencies.

ARTICLE 28 POURS

It is agreed there will be at least one (1) Ironworker if work is to be done in reinforcing in the concrete pour, during the pouring operation. It is understood if, in the opinion of the Foremen and Steward that more Ironworkers are needed on the pour, more Ironworkers will be employed.

If there is other ironwork available nearby, it is agreed that this Ironworker may be used on this work providing it is close enough for this Ironworker to keep the reinforcing in the pour under surveillance.

With the approval of the Business Representative or the Steward of the job, in special instances or small pours, no Ironworker is required.

ARTICLE 29 WELDERS AND HELPERS

All Welders and Burners are required to have a journeyman or an apprentice for a helper for the necessary laying-out of work, hanging of scaffolding and safety protection of Welders and Burners. The Welders and Helpers shall work as a unit at all times.

If Welders and Burners are performing work on the ground, the above can be waived, but the contractor specifically agrees that no other craft or any part of the supervision will be permitted to help Welders and Burners.

If the job is more than ten (10) days duration, the Employer will furnish welding gloves, sleeves, jackets, and/or aprons.

The Employer agrees if the type of work requires certification, the Employer will bear all the expense, and the certification papers will be given the welder at the end of the job, or if the welder is laid off, before. There shall be no more than one (1) apprentice to every three (3) journeyman welders.

ARTICLE 30 IRONWORKERS REQUIRED ON GUY STIFF LEG DERRICKS, MOBILE OR HAND OPERATED RIGS

No less than six (6) men and a foreman shall be employed around any guy and stiff leg derrick used on steel erection.

On all mobile or power operated rigs of any description, no less than four (4) men and a foreman shall be employed on work coming within the jurisdiction of the Ironworkers.

The above size crew does not apply to reinforcing steel, or use of A-Frame or winch truck when not used for structural steel erection, or if accepted rules of safety are not violated.

In special instances of small items of steel erection work with the approval of the Business Agent and the contractor's representative, the above minimum crew can be waived.

In special instances of small items of precast erection work with the approval of the Business Agent or Steward, a reasonable number of men will be used.

HAND OPERATED GIN POLES AND SASGEN POLES

For setting of structural steel with hand operated gin poles and sasgen poles where the work is of six (6) hours duration or more on one job, no less than four (4) men and a foreman shall be used.

For setting light structural steel and miscellaneous iron weighing less than 1,200 pounds, total lintels, reinforcing steel, bar joists, etc., with hand operated gin poles and sasgen poles, no less than three (3) men and a foreman shall be used.

In special instances of small items of steel erection work with the approval of the Business Agent, the above minimum crew sizes can be waived.

In special instances of small items of precast erection work with the approval of the Business Agent, or Steward, a reasonable number of men will be used.

ARTICLE 31 WORK DEFINED

This agreement shall cover all Ironworkers work in connection with the following: The fabrication, erection and construction of iron and steel, ornamental lead, bronze, brass, copper and aluminum, reinforced concrete structure or parts thereof, bridges, viaducts, inclines, dams, docks, dredges, vessels, lock gates, aqueducts, reservoirs, spillways, flumes, caissons, cofferdams, subways, tunnels, cableways, tramways, monorails, blast furnaces, stoves, kilns, coolers, crushers, agitators, pulverizers, mixers, concentrators, ovens, cupolas, smoke conveyors, pen stocks, flag poles, drums, shafting, fur, and storage rooms, fans and hot rooms, stacks, bunkers, conveyors, dumpers, elevators, scales, vats, enamel tanks, tanks, towers, pans, hoppers, plates, anchor caps, corbels lintels, Howe and combination trusses, grillage and foundation work, grating, bucks, partitions, hanging ceilings, hangers, clips, brackets, flooring, floor construction, domes, rolling shutter, curtains, frames, kalamined and iron doors, cast tiling, airducts, dust and trench plates and frames, wire work, railing, including pipe guards, fencing work, grill work, sidewalks and vaults, lights, skylights, roofs, canopies, marquees, awnings, elevator and dumbwaiter enclosures, elevator cars, tracks, facias, aprons, operating devices, sash, frames, lockers, racks, bookstacks, tables, shelving, metal furniture, seats, chutes, escalators, stairways, ventilators, boxes, fire escapes, signs, jail cell work, safes, vaults, vault doors, safe deposit boxes, corrugated sheets attached to steel frames, frames in support of boilers, material altered in field, such as framing, cutting, bending, drilling, burning, and welding, including by acetylene gas and electric machines, metal forms and false work pertaining to concrete construction, sectional water tube and tubular boilers and stokers, traveling sheaves, vertical hydraulic elevators, bulk heads, hoists, the making and installation of articles made of wire, and fibrous rope, rigging in shipyards, vessels and Government Departments, false work, travelers, scaffolding, pile drivers, sheet piling, derricks, cranes, the erection, installation, handling and operating of same on construction work, railroad bridge work including maintenance, the moving, hoisting and lowering of machinery, the placing of same on foundations, including the bridge cranes, building piers, and vessels, the loading, unloading, necessary maintenance, erection, installation, removal, wrecking and dismantling of the above and housesmith work and submarine diving, in connection with or about same, the erection of steel tower, chutes, and spouts for concrete where attached to towers and the handling and fastening of the cables and guys for same, the racking, sorting, cutting, handling, hoisting, placing, and tying of iron, steel, and metal used in reinforced concrete construction including mesh for floors, arches and making of hoops and stirrup metal forms and metal supports thereof.

IN WITNESS WHEREOF, this Agreement has been executed by the parties hereto as of the date and year written above, in the territorial boundaries of Ironworkers Local 782.

WESTERN KENTUCKY CONSTRUCTION EMPLOYERS ASSOCIATION, INC.

Tim Doom

Mike Gerescher

IRONWORKERS LOCAL UNION NO. 782

Samuel Crooks

David Jones

**FOR USE BY CONTRACTORS NOT MEMBERS
OF WESTERN KENTUCKY CONSTRUCTION EMPLOYERS ASSOCIATION, INC.
AGREEMENT**

The undersigned as an Employer and the undersigned Union hereby adopt and agree to be bound as Employer and Union, respectfully, by all of the provisions of the attached Collective Bargaining agreement and by all modifications, amendments, changes, renewals and extensions thereof at any time made so long as the same remain in force.

The Employer hereby ratifies and agrees to be bound by all of the terms and provisions of the Ironworkers Health and Welfare, Pension, Apprenticeship and Journeyman Upgrading, and all amendments thereto and modifications thereof as though as original Employer to said Trusts. Without limiting the foregoing, the Employer agrees to make required contributions and monthly reports to the Ironworkers Health and Welfare, Pension, Apprenticeship and Journeyman Upgrading, and Annuity Fund.

PAY DAY

The regular pay day shall be once a week and the wages shall be paid before quitting time, and wages are to be paid in check or other legal tender.

Employers may withhold not more than five (5) days wages, excluding Saturdays and Sundays, to prepare the payroll.

When employees are laid off, or discharged, they shall be paid in full in check or other legal tender on the job immediately, and if required to go to some other point or the office of the employer, the employees shall be paid for the time required to go to such places. When employees quit of their own accord, they shall wait until the regular payday for the wages due them.

A man will not be required to check out on his own time on layoffs or dismissals.

Any undue delay in payment or loss of time caused the employees through no fault of their own shall be paid for by the employer causing such delay, at the regular straight time wages.

Accompanying each payment of wages shall be a separate statement identifying the employer showing the total earnings, the amount of each deduction, the purpose thereof and net earnings.

The Employer shall mail W-2 forms of statements of earnings and deductions to Employees for wages of the preceding year to comply with Federal Law.
